Year 2 Typical Schedule

Medical School courses in blue
PhD courses in red

	10/20	10/21
8am	Renal - Calcium Disorders Workshop	Renal - Analysis of Structure in Kidney Disease
9am		Renal - Glomerular Disease: Nephrotic Syndrome
10am	Renal - Review, Physiology, Fluids, Electrolytes	Renal Gross Pathology Workshop
11am		
12pm		Acute Kidney Injury 1 Pathophysiology
1pm		
2pm		
3pm	Renal - Optional review	BE584 - The Mathematics of Medical Imaging
4pm		
5pm		

	10/22	10/23	10/24
8am	Renal - Glomerular Injury: Inflammatory Disorders	Renal - Acute Renal Injury	Renal - Glomerular Disease Workshop
9am	Renal - Acute Renal Injury 2: Differential Diagnosis & Mgmt.		
10am	Renal - Urinalysis Workshop	Renal & Renal Vascular Hypertension	Renal - Hereditary Renal Disease
11am		Renal - Glomerular Disease CPC	Renal - Tubulointerstitial Disease
12pm	Renal - Diabetic Nephropathy		Renal - Vascular Diseases
1pm			
2pm			
3pm		BE584 - The Mathematics of Medical Imaging	Renal - Optional Review
4pm			
5pm	Renal - Optional Review	Renal - Optional Review
