

An ECG (heart rate) line graphic in white, set against a dark blue background. The line starts on the left, moves up and down, then has a very large, sharp peak, followed by a smaller peak and then a flat line.

Give the Gift of Life.

Knowing how to perform CPR and use an AED (automated external defibrillator) can save the life of a loved one or coworker!

Our community-focused American Heart Association-approved training will enable non-healthcare professionals to perform these tasks.

What: HeartSaver AED Training Course

When: Saturday, March 21st, 2009 — 9 am to noon
OR
Thursday, May 28th, 2009 — 6 pm to 9 pm

Where: Penn Medicine at Rittenhouse
1800 Lombard Street, 2nd Floor
Philadelphia, PA 19146
