

List of Authors

Albert M. Maguire, M.D., University of Pennsylvania School of Medicine, F.M. Kirby Center for Molecular Ophthalmology at Penn's Scheie Eye Institute, and Center for Cellular and Molecular Therapeutics at The Children's Hospital of Philadelphia (Philadelphia)

Francesca Simonelli, M.D., Second University of Naples and Telethon Institute of Genetics and Medicine (Naples, Italy)

Eric A. Pierce, M.D., Ph.D., University of Pennsylvania School of Medicine, F.M. Kirby Center for Molecular Ophthalmology at Penn's Scheie Eye Institute, and The Children's Hospital of Philadelphia (Philadelphia)

Edward N. Pugh, Jr., Ph.D., University of Pennsylvania School of Medicine, F.M. Kirby Center for Molecular Ophthalmology at Penn's Scheie Eye Institute (Philadelphia)

Federico Mingozzi, Ph.D., Center for Cellular and Molecular Therapeutics at The Children's Hospital of Philadelphia (Philadelphia)

Jeannette Bennicelli, Ph.D., F.M. Kirby Center for Molecular Ophthalmology at Penn's Scheie Eye Institute (Philadelphia)

Sandro Banfi, M.D., Telethon Institute of Genetics and Medicine (Naples, Italy)

Kathleen A. Marshall, C.O.T, Center for Cellular and Molecular Therapeutics at The Children's Hospital of Philadelphia (Philadelphia)

Francesco Testa, M.D., Second University of Naples (Naples, Italy)

Enrico M. Surace, D.V.M., Telethon Institute of Genetics and Medicine (Naples, Italy)

Settimio Rossi, M.D., Second University of Naples (Naples, Italy)

Arkady Lyubarsky, Ph.D., F.M. Kirby Center for Molecular Ophthalmology at Penn's Scheie Eye Institute (Philadelphia)

Valder R. Arruda, M.D., Ph.D., University of Pennsylvania School of Medicine and Center for Cellular and Molecular Therapeutics at The Children's Hospital of Philadelphia (Philadelphia)

Barbara Konkle, M.D., University of Pennsylvania School of Medicine (Philadelphia)

Edwin Stone, M.D., Ph.D., University of Iowa, Howard Hughes Medical Institute (Iowa City)

Junwei Sun, M.S., Center for Cellular and Molecular Therapeutics at The Children's Hospital of Philadelphia (Philadelphia)

Jonathan Jacobs, Ph.D., Case Western University, Veterans Affairs Medical Center (Cleveland)

Lou Dell'Osso, Ph.D., Case Western University, Veterans Affairs Medical Center (Cleveland)

Richard Hertle, M.D., Children's Hospital of Pittsburgh (Pittsburgh)

Jian-xing Ma, M.D., Ph.D., University of Oklahoma (Oklahoma City)

T. Michael Redmond, Ph.D., National Eye Institute, National Institutes of Health (Bethesda)

Xiaosong (Sonia) Zhu, M.D., The Children's Hospital of Philadelphia (Philadelphia)

Bernd Hauck, Ph.D., Center for Cellular and Molecular Therapeutics at The Children's Hospital of Philadelphia (Philadelphia)

Olga Zelenai, Ph.D., Center for Cellular and Molecular Therapeutics at The Children's Hospital of Philadelphia (Philadelphia)

Kenneth S. Shindler, M.D., Ph.D., University of Pennsylvania School of Medicine, F.M. Kirby Center for Molecular Ophthalmology at Penn's Scheie Eye Institute (Philadelphia)

Maureen G. Maguire, Ph.D., University of Pennsylvania School of Medicine, Scheie Eye Institute (Philadelphia)

J. Fraser Wright, Ph.D., University of Pennsylvania School of Medicine and Center for Cellular and Molecular Therapeutics at The Children's Hospital of Philadelphia (Philadelphia)

Nicholas J. Volpe, M.D., University of Pennsylvania School of Medicine, Scheie Eye Institute (Philadelphia)

Jennifer Wellman McDonnell, M.S., Center for Cellular and Molecular Therapeutics at The Children's Hospital of Philadelphia (Philadelphia)

Alberto Auricchio, M.D., Telethon Institute of Genetics and Medicine and University of Naples Federico II (Naples, Italy)

Katherine A. High, M.D., University of Pennsylvania School of Medicine, Center for Cellular and Molecular Therapeutics at The Children's Hospital of Philadelphia, Howard Hughes Medical Institute (Philadelphia)

Jean Bennett, M.D., Ph.D., University of Pennsylvania School of Medicine, F.M. Kirby Center for Molecular Ophthalmology at Penn's Scheie Eye Institute, and the Center for Cellular and Molecular Therapeutics at The Children's Hospital of Philadelphia (Philadelphia)
