We gratefully acknowledge an educational grant from Genentech in support of this activity.

Program Objectives
The purpose of the Anniversary Meeting is to highlight the clinical and research activities of our faculty and alumni. Topics for the day will include anterior segment, retinal diseases, genetics, ocular oncology surgery and neuro-ophthalmology. There will be time for discussion after each presentation.

Target Audience
This activity has been designed for practicing ophthalmologists and ophthalmology-in-training.

Evaluation Criteria
Upon completion of the activity, participants should be able to:
• Identify and discuss the most recent techniques in the management of ocular conditions
• Apply current research findings to better diagnose and manage your patients with ocular disease

Accreditation
The University of Pennsylvania School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Designation of Credit
The University of Pennsylvania School of Medicine designates this educational activity for a maximum of 1.25 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Disclosure
University of Pennsylvania School of Medicine Office of Continuing Medical Education adheres to the ACCME Standards for Commercial Support. Faculty disclosure information is on file with the course and will be made available in the conference materials and syllabi. Faculty members and planners have disclosed any relevant financial relationships with commercial supporters. The University of Pennsylvania School of Medicine designates this educational activity for a maximum of 1.25 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

CANCELLATION POLICY
The Scheie Eye Institute reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of cancellation of the program, the Scheie Eye Institute is not responsible for any related costs, charges, or expenses to participants, including cancellation that result from travel, hotel, and meal arrangements. In the event of severe weather, please contact 215-662-8069.

PARKING
Parking is available in the multi-level garage on Myrin Circle at a cost of $15.00. Meter parking is also available on the street adjacent to Scheie Eye Institute. The parking fee is your responsibility and is not covered by the conference.

REFERENCES FOR THE DISABLED
If special arrangements are required for any individual with a disability to attend this meeting, please contact the Scheie Eye Institute at 215-662-8069 at least two weeks prior to the meeting.

EQUIPMENT/ROOMS
The Scheie Eye Institute reserves the right to change or cancel any course due to adverse weather conditions. In the event of cancellation of the program, the Scheie Eye Institute is not responsible for any related costs, charges, or expenses to participants, including cancellation that result from travel, hotel, and meal arrangements. In the event of severe weather, please contact 215-662-8069.
