Religious/Cultural Diversity and Health Care: Journal Article Series
Chaplain John Ehman (john.ehman@uphs.upenn.edu), 9/2010

I. For religious/cultural concerns in end-of-life care, see the special seven-part series in the British medical journal, The Lancet, in 2005.

II. For religious/cultural concerns and ethical decision-making in health care, see the 2000-2002 series in the Canadian Medical Association Journal.

III. For religious/cultural concerns in pediatrics, see the January 2004 special issue of Child and Adolescent Psychiatric Clinics of North America:

IV. For religious/cultural concerns and nursing practice, see the special nine-part series in the British journal, Nursing Times, in 2002.

V. A series for nurses, Caring for Patients of Diverse Religious Traditions, ran in the American journal, Home Healthcare Nurse, 2005-2007:

VI. A series for physicians, Eye on Religion, is underway in the Southern Medical Journal as part of the Southern Medical Association’s Spirituality & Medicine Interface Project:

Nakasone, R. Y. “Buddhism.” SMJ 100, no. 6 (June 2007): 652-653.

Petersen, P. B. “Working with Mormons (Latter-day Saints).” SMJ 100, no. 7 (Jul 2007): 757.

Tsai, J. N. “By the brush and by the sword: Daoist perspectives on the body, illness, and healing.” SMJ 99, no. 12 (Dec 2006): 1452-1453.
