Welcome to the ACLS Training Program.

**Course:** ACLS 8-hour Recertification Course

**Time:** 8:30-4:00 pm

**Location:** Penn Medicine Clinical Simulation Center

**Parking:** Parking is $23.00 per day for non-UPHS employees or $10.50 per day with Penn ID at 1740 South Street Parking Garage

**Preparation for class:**

1. The 8-hour Recert course is intended for most currently certified or recently lapsed (less than 1 month) providers. *You must bring your current ACLS provider card to class.*

2. We recommend you obtain and review the 2015 ACLS Provider Manual prior to attending the course (library, $37 at the Sim Center, amazon.com, Laerdal.com).

3. Do the Pre-course Self-Assessment available on the AHA student website [www.heart.org/eccstudent](http://www.heart.org/eccstudent) (password: acls15); this site contains additional review materials as well. The Self-Assessment test will help prepare for the final written exam and identify areas where improvement is necessary. The Pre-course Self-Assessment is required for all ACLS classes. Please bring a copy with you to the class.

4. CPR competency: BLS certification is not necessary, but current BLS skills are. We will review skills during the course, but some knowledge of adult BLS is recommended. Your department may require you to have BLS certification; this course does not provide that.

5. Be familiar with the ACLS algorithms (manual, online). They will be reviewed, but some prior knowledge is preferable.

6. Wear loose, comfortable clothing. If you have any physical conditions that may interfere with training activities, please tell one of the instructors so that adjustments may be made. Also, please tell your instructor if you are allergic to latex.
**Cancellation Policy:**

To receive a full refund, please cancel your registration 30 days prior to the course start date. If you cancel the course within 30 days of the course start date, a refund will be given excluding a $100 cancelation fee.

**Contact Information:**

If you have any questions regarding this course please contact Chet Zaremski at chet.zaremski@uphs.upenn.edu or Tonya Jones at Tonya.Jones@uphs.upenn.edu
