

Only \$50 Registration Fee

Clinical Directions in Continence Care

TUESDAY, August 28, 2018

Chairs: *Chris Bradway & Donna Thompson*

8 Contact Hours Available

A 1-day Educational Program dedicated to topics about the latest evidence on managing urinary incontinence and urinary tract infections. Lectures by researchers and clinicians will provide the latest evidence on a variety of topics and allow providers, especially nurses, to catch up on some clinical skills. The program will also include access to exhibits of product manufacturers and medical supply companies.

Please register online here www.ics.org/2018/register and select the "Others" registration category. (see details on back)

Those registered to the main ICS meeting are welcome to attend this program at no additional registration fee but MUST pre-register via the online system or by emailing Ms. Keren Abuhasira reg_ics18@kenes.com

CONFIRMED EXHIBITORS:

- Compact Cath
- Cure Medical
