Parking Information

Valet parking is offered at the main entrance, and self-parking is available in the parking garage. After you park, bring your ticket with you. Patients and visitors must pay for parking before leaving the Perelman Center. Central cashiering for garage and valet parking is located on the Ground Floor behind the lobby concierge desk. Patients and visitors can also use pay-on-foot machines located on each level of the parking garage, P1, P2 and P3. The Perelman Center parking services office is located on P1. If you have any questions, please contact Parking and Transportation at 215.349.8276.

Information Desks

If you have questions or need assistance, please ask a staff member. Information Desks are located on the Ground Floor and Floor 1 in the Perelman Center for Advanced Medicine. On floor plans, look for this symbol:
