

The Center for Health Equity Advancement Presents:

The 6th Annual Health Equity Week: The Historical Determinants of and Social Disparities in Healthcare

What will I learn during HEW 2021?

- How to make steps in cultivating health equity within your department.
- What is unconscious bias and how individual biases effect patient care delivery.
- Understanding racial disparities and how to prevent potentially harmful or oppressive care delivery.
- Utilizing tools for cultural competency and cultural humility to reduce health disparities.
- How surroundings, particularly in urban environments, have a big impact on mental health and wellness.
